

SynLube SS^{FG}

FOOD GRADE SILICONE SPRAY LUBRICANT

DESCRIPTION:

Foodstream™ SynLube SS^{FG} is a general purpose spray lubricant that dries quickly to leave a protective silicone lubricating film wherever it is applied. The lubricating silicone is NSF registered as meeting the guidelines of an H1 product for incidental food contact, which makes **SynLube SS^{FG}** safe for use on food processing and packaging machinery, friction surfaces for films, wraps, cartons, and large flat areas where a no-stick surface is needed. **SynLube SS^{FG}** also helps fight rust and corrosion on all types of metal surfaces, molds and dies.

FEATURES:

- ◆ Leaves protective silicone lubricating film.
- ◆ Inhibits rust and corrosion.
- ◆ Eliminates squeaks from mechanical equipment.
- ◆ Reduces friction and wear.
- ◆ Prevents paper and plastic materials from sticking to packaging equipment.
- ◆ NSF H1 Food Grade.
